

**The Roar® Six Pack Giveaway is governed
by the following qualifications:**

1. Under no circumstances will the winner receive cash in lieu of any of the motorcycles offered in the Six Pack Giveaway.
2. Street Track 'N Trail will make every effort to deliver the motorcycle models as offered in the Six Pack Giveaway. However, our ability to do so is based on current availability at both the dealership and manufacturer level, and other conditions that are beyond our control. If such conditions occur, Street Track 'N Trail will make every effort to provide a suitable substitution to the winner.
3. The winner is responsible for all taxes, title and registration fees, and he or she must take delivery at Street Track 'N Trail in Conneaut Lake, Pa.
4. We've yet to meet someone who owns enough Harley-Davidson's, but if our winner happens to be that person, he or she can use the dealership determined value of the winning motorcycle as a down payment on any new or used motorcycle, ATV, side-by-side, car, truck or van

offered by Street Track 'N Trail. The product purchased must have a price equal to or greater than the DDV of the selected Six Pack motorcycle.

5. If the winner selects a motorcycle other than one offered as part of the Six Pack Giveaway, that is not in our inventory, and is not available from one of our manufacturers, the winner will be responsible for any additional dealer costs incurred to procure said product, i.e. transport charges, non-stock accessories, colors, etc.
6. The \$10,000 More Roar for Your Buck gift card has no cash value, and can be used only Street Track 'N Trail. The card can be used in any department in the dealership, and can be applied to any product or service.
